EDUCATION AND TRAINING

- 2016-2018 **Rehabilitation Institute of Michigan – Detroit, Michigan**
Post-doctoral Residency in Neuropsychology (APPCN Member Program)
- 2015-2016 **Central Texas Veterans Health Care System – Austin, Texas**
Pre-doctoral Intern (APA-Accredited)
- 2011-2016 **University of North Texas – Denton, Texas**
Clinical Psychology Doctoral Program (APA-Accredited)
- 2006-2010 **Southern Methodist University – Dallas, Texas**
Bachelor of Arts in Psychology; Bachelor of Arts in Political Science

CREDENTIALS

Licensed Psychologist (State of Texas, License No. 38052)

POST-GRADUATE EMPLOYMENT

2021-Present **Neurocognitive Specialty Group**

Neuropsychologist within a group private practice specializing in clinical and forensic neuropsychological assessment and clinical intervention services

2018-2020 **Baylor Scott and White Institute for Rehabilitation**

As the attending neuropsychologist on the spinal cord injury and traumatic brain injury services, primary responsibilities included providing assessment and intervention services to patients participating in inpatient rehabilitation, as well as providing daily consultation to the interdisciplinary team

TEACHING EXPERIENCE

2021-Present **University of North Texas**

Adjunct professor for doctoral-level practicum and neuropsychological assessment courses

POSTDOCTORAL RESIDENCY EXPERIENCE

2016-2018 **Rehabilitation Institute of Michigan (APPCN Member)**
Post-doctoral Resident in Clinical Neuropsychology

Supervisors: Robin Hanks, PhD, ABPP-CN; Brigid Waldron-Perrine, PhD, ABPP-CN; Tanya Sherman, PhD, ABPP-CN; Summar Reslan, PhD, ABPP-CN Steven Vangel, PhD; Kimberly Peters, PsyD, ABPP-RP

Provided comprehensive neuropsychological assessment services within both inpatient and outpatient settings for patients with diverse presenting concerns, including traumatic brain injury, stroke, neurodegenerative disorders, movement disorders, brain tumors, epilepsy, functional neurological disorder, and multiple sclerosis; provided individual and family intervention services to patients with neurological and psychological conditions; participated in interdisciplinary team meetings; provided consultation to referral sources; participated in tiered supervision of practicum level trainees; participated in neuropsychology-focused didactics/continuing education, including board certification preparation and weekly brain cuttings

PREDOCTORAL CLINICAL INTERNSHIP EXPERIENCE

2015-2016 **Central Texas VA Health Care System (APA Accredited Internship)**
Pre-doctoral Intern

Major Rotations: Outpatient Neuropsychology (Supervisor: Shawneen Pazienza, PhD); Substance Abuse Treatment Program (Supervisor: Scott Steiner, PhD); Posttraumatic Stress Disorder Clinical Team (Supervisor: Edgar Villareal, PhD)

Minor Rotations: Rehabilitation Neuropsychology (Supervisor: Shawneen Pazienza, PhD); Family/Couples Service (Supervisor: Ryan Hammond, PsyD)

Provided outpatient neuropsychological assessment services and evidence-based individual, group, and couples psychotherapy to a veteran population; participated in weekly individual and group supervision; provided tiered supervision of neuropsychological assessment/report-writing to practicum level trainees; participated in a monthly neuropsychology journal club

PREDOCTORAL CLINICAL PRACTICUM EXPERIENCE

2014-2015 **Private Practice of David Erlanger, PhD, ABPP**

Received training and experience in neuropsychological assessment with child, adult, geriatric, and forensic populations with concerns related to neurodegenerative disorders, acquired brain injury, epilepsy, and developmental disorders. This practicum also included participation in weekly supervision and neuropsychology seminars led by a board-certified neuropsychologist at NYU Langone Medical Center/Rusk Rehabilitation Center. (Supervisor: David M. Erlanger, PhD, ABPP-CN)

2014-2015 **Bronx Psychiatric Center**

Provided cognitive and personality assessment services and individual and group psychotherapy to patients presenting with severe and persisting mental illness in inpatient and outpatient settings (Supervisors: Peter Piegras, PhD; Jeanette Trujillo, Psy.D)

Summer 2014 **Michael E. DeBakey Veteran Affairs Medical Center (Houston VA)**

Conducted neuropsychological assessments with an adult veteran population. Intensive one-on-one didactics focused on neuroanatomy, neurological disorders, and neuroimaging were provided by a board-certified neuropsychologist. (Supervisor: Nicholas Wisdom, Ph.D, ABPP-CN)

2013-2014 **UNT Psychology Clinic, Psychotherapy Practicum**

Provided short and long-term individual psychotherapy services for patients presenting with a diverse range of diagnoses, including mood disorders, anxiety disorders, personality disorders, and functional neurological disorder using evidence-based treatment approaches. (Supervisors: Amy Murrell, PhD, Thomas Parsons, PhD; Jennifer Callahan, PhD, ABPP)

2012-2013 **UNT Psychology Clinic, Assessment Practicum**

Provided cognitive and personality assessment services for adults and children with academic and psychiatric concerns (Supervisors: Colette Miesse, PhD, Randall Cox, PhD, Amy Murrell, PhD, Thomas Parsons, PhD)
